A. The Department of Children and Family Services (DCFS) shall provide real-time or immediate electronic access to a database containing current information for persons having child support arrearages or overpayments. This access shall be available to the entities licensed or permitted under chapters 1, 4, 5, 7, or 10 of title 27 of the *Revised Statutes*.

1. Debts owed to DCFS maintain priority over debts from this system in accordance with R.S. 47:1676(D)(4)(d).

B.1. Prior to issuing payment of winnings (either cash [including any sports wagering winnings] or a second or later progressive slot machine annuity payment) in an amount requiring the filing of a W-2G or substantially equivalent form, the payor shall access the DCFS database and/or any other system implemented in accordance with Subsection A of this Section to determine if the winning patron is recorded as owing overdue child support or receiving child support overpayments, or owing other debts to the state.

2. If the patron is recorded as owing a debt in the system(s), the payor may deduct up to \$35 as an administrative fee and shall then intercept the amount noted from the patron's winnings. Any amount remaining following the deduction of the administrative fee, intercept amount, and any other deductions required by law shall then be paid to the winning patron.

3. If the winning patron's information is not recorded in the database, a licensee shall maintain a record of the negative search results for each payment made to a cash prize winner by attaching a print out of the negative results or similar "No Record Found" page generated by the database to the jackpot payout slip. A generated log of all searches made may be printed and maintained in the licensee's accounting records in lieu of attaching the negative results record to each jackpot payout slip.

4. If the winning patron's information is not recorded in the database(s), a permittee who issues a second or later progressive slot annuity payment shall maintain a copy of the negative results or other "No Record Found" page generated by the database for each payment made to a progressive slot jackpot annuitant.

5. A generated log of all searches made may be created and maintained in the sports wagering operator's accounting records in lieu of attaching the

In the event the database is off-line when a search is made, a licensee or sports wagering operator shall not be responsible for intercepting cash winnings provided it prints a copy of the screen notification that the system is inaccessible, records the name and prize amount for the winning patron, and timely notifies the appropriate database contact for each database down, of the error to ensure the technical difficulty is not with the licensee or sports wagering operator. The unavailability of the database shall not affect interception requirements for second or later progressive slot machine annuity payments.
