Home and Community-Based Services Waivers  
Supports Waiver—Direct Support Worker Wages  
(LAC 50:XXI.6101)

The Department of Health, Bureau of Health Services Financing and the Office for Citizens with Developmental Disabilities amends LAC 50:XXI.6101 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950, et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

Act 119 of the 2021 Regular Session of the Louisiana Legislature provided additional funding to the Department of Health for providers of home and community-based services waivers to increase the wages of direct support workers and personal care attendants, pursuant to rulemaking and audit. House Concurrent Resolution 127 (HCR 127) of the 2021 Regular Session of the Louisiana Legislature directed the department to make adjustments in the state Medicaid budget for the purpose of allocating funding more equitably to providers throughout the disabilities services system. In compliance with Act 119 and HCR 127, the Department of Health, Bureau of Health Services Financing and the Office for Citizens with Developmental Disabilities amend the provisions governing reimbursement in the Supports Waiver in order to establish a wage floor for direct support workers along with audit procedures, sanctions and penalties.

This action is being taken to promote the health and welfare of Medicaid recipients by ensuring staffing for and access to Supports Waiver services. It is estimated that implementation of this Emergency Rule will increase expenditures in the Medicaid program by approximately \$377,208 in state fiscal year 2021-2022.

Effective October 1, 2021, the Department of Health, Bureau of Health Services and Office for Citizens with Developmental Disabilities amend the provisions governing reimbursement in the Supports Waiver to establish a wage floor for direct support workers along with audit procedures, sanctions and penalties.
