Warranty Provision	All conversion work performed by FSV, Inc is warranted for (1) year. The chassis and its associated components, and the bodies and their associated components are covered by their respective manufacture. Major component and sub-assemblies, such as emergency lighting, generators, air conditioners, etc., are covered by the warranties of their respective manufacturers. Questions regarding specific warranty claims should be directed to FSV, Inc. All warranty work and service can be arranged by calling FSV at (800) 331-3188. All service should be coordinated through the FSV Service Department. Service is typically available through GS, Freightliner, or Navistar International fleet service facilities, component manufacturers' service outlets, or RV centers depending on model and component requiring service. Contact FSV location of the nearest service facility.
Terms & Conditions for Other Services	Training will be furnished at delivery.
Preventive Maintenance	Preventive maintenance guidelines for vehicle components have been developed by the component manufacturers and are included in the documentation provided with each vehicle upon delivery.
