**WHEREAS**, the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. **WHEREAS**, La. R.S. 29:724 authorizes the governor during a declared state of emergency to suspend the provisions of any state regulatory statute prescribing procedures for conducting state business, or the orders, rules, or regulations of any state agency, if strict compliance with the provision of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency;

**WHEREAS**, Governor Jeff Landry declared a state of emergency in response to the imminent threat posed by Hurricane Francine on September 9, 2024, in JML 24-142;

**WHEREAS**, a declaration of emergency or disaster activates the state's emergency response and recovery program under the command of the director of the Governor's Office of Homeland Security and Emergency Preparedness ("GOHSEP");

**WHEREAS**, GOHSEP is responsible for determining the requirements of the state and its political subdivisions for food, clothing, and other necessities and supplies in a designated emergency area;

**WHEREAS**, Hurricane Francine made landfall on the Louisiana coast on Wednesday, September 11, 2024, as a Category 2 hurricane with over 100 mile-per-hour winds and was the third and largest storm to hit the United States this year;

**WHEREAS**, Hurricane Francine brought devastating winds, widespread power outages, and damage to Louisiana;

**NOW THEREFORE, I, JEFF LANDRY**, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and laws of the State of Louisiana, order and direct as follows:

not exceed the prices ordinarily charged for comparable goods and services in the same market area at or immediately before the time of the state of emergency, unless the price by the seller is attributable to fluctuations in applicable commodity markets, fluctuations in applicable regional or national market trends, or to reasonable expenses and charges and attendant business risk incurred in procuring or selling the goods or services during the state of emergency.

Section 5: Pursuant to R.S. 29:724(D)(1), the Louisiana Procurement Code, (R.S. 39:1551, *et seq.*), and Louisiana Public Bid Law (R.S. 38:2211, *et seq.*), and their corresponding rules and regulations are hereby suspended for the purpose of the procurement of any goods or services necessary to respond to this emergency, including emergency contracts, cooperative endeavor agreements, and any other emergency amendments to existing contracts.
