Notice is hereby given of the revisions to Policy and Procedures Memorandum No. 49 (PPM49), the State's general travel regulations, effective **July 1, 2026**. These amendments are both technical and substantive in nature and are intended to clarify certain portions of the previous regulations or provide for more efficient administration of travel policies. These regulations apply to all state departments, higher education, boards and commissions created by the legislature or executive order and operating from funds appropriated, dedicated, self-generated, federally funded, or funds generated from any other source.
- B. R.S. 39:231A "The Commissioner of Administration, with the approval of the Governor, shall, by rule or regulation, prescribe the conditions under which each of various forms of transportation may be used by state officers and employees in the discharge of the duties of their respective offices and positions in the state service and the conditions under which allowances will be granted for traveling expenses."

§1502. DEFINITIONS

Authorized Persons

- a. Advisors, consultants, contractors, and other persons who are called upon to contribute time and service to the state who are not otherwise required to be reimbursed through a contract for professional, personal, or consulting services. (Contractors are not exempted from paying state sales taxes; therefore, if a contractor is working on behalf of an agency, the agency may reimburse them for the state sales taxes.)
- b. Members of boards, commissions, and advisory councils required by federal or state legislation or regulation.
- c. Persons authorized to travel for official state business as deemed by the department head or his/her designee.

- d. College/University students must be deemed authorized travelers by the higher education entity head or his/her designee to be reimbursed for state business purposes.

Conference/Convention - A non-routine event for a specific purpose or objective such as a seminar, conference, convention, or training.

Controlled Billed Account (CBA) – A credit account issued in an agency's name (no plastic card is issued). These accounts are paid by each agency and are a direct liability of the State. CBA accounts are controlled through an authorized approver to provide a means to purchase airfare, registration, lodging, rental vehicles, pre-paid shuttle service, and any other allowable charges outlined in the Statewide Card Policy. Each department head determines the extent of the account's use.

Corporate Travel Card - Credit cards issued in a State of Louisiana employee's name used for specific, high cost travel expenses. Corporate Travel Cards are State liability cards paid by each agency.

Extended Stays - Any assignment made for a period of 30 or more consecutive days at a place other than the traveler's official domicile.

High Cost Travel – Airfare, lodging, vehicle rentals, and conference registrations.

Official Domicile

- a. Except where fixed by law, official domicile of a state officer or employee assigned to an office shall be the parish in which the office is located. The department head or his/her designee should determine the extent of any surrounding area to be included, such as a region. As a guideline, a radius of at least 30 miles is recommended.
- b. The official domicile of a person that works in the field shall be the parish where

most work is performed. The department head may designate this area or region. In all cases, the designation must be in the agency's best interest and not for the person's convenience.

§1503. GENERAL SPECIFICATIONS

A. General Travel Policies

1. Department heads may establish travel regulations within their respective agencies, but agency regulations shall not exceed the maximum limitations set by the Commissioner of Administration. A final draft and a draft highlighting any deviations from PPM49 must be submitted via email to StateTravel@LA.Gov for prior review and approval by the Commissioner of Administration.
2. Department heads will take actions necessary to minimize all travel in order to carry on the department's mission.
3. Agencies must place all high-cost expenditures on the LaCarte Purchasing Card, Travel Card, or agency CBA account unless prior approval is granted by the Commissioner of Administration.
4. Department heads or his/her designee must submit fiscal year exemption requests annually. No exemption requests are granted on a permanent basis.

5. Grant Funds - Any agency that receives grant funds must follow PPM49 rules and regulations and any travel regulations contained in the grant. Sub recipients that are not classified as a state agency are not subject to PPM49.
 - a. Department heads have the ability to determine which policy the sub recipient will follow. Department heads should be consistent across all sub-recipients.
 - b. Example: DOTD receives a federal grant and the City of New Orleans is a sub recipient of that grant, the City of New Orleans is not required to follow PPM49 but must follow their established policies and any regulations contained in the grant.
6. Travel Scholarships – If any scholarship for travel is received by a state traveler, it is the agency's and employee's responsibility to comply with all ethics laws and requirements.
7. Contracted Travel Services - The state has a mandatory travel agency contract to book airfare unless prior exemptions have been granted by the Office of State Travel before the airfare purchase. The contracted travel agency has an online booking system which should be used by all travelers to book airfare. Use of the online booking systems can drastically reduce the State's agent fee paid per transaction for airfare purchases.
8. Contracted Hotel Services - The state has a contract for hotel booking services with HotelPlanner. HotelPlanner is provided as a convenience to state travelers when arranging official business travel accommodations. Travelers are responsible for adhering to the hotel's cancellation policy when booking through HotelPlanner. If a traveler does not cancel a hotel stay within the cancellation period set by the hotel, the traveler will be responsible for payment or reimbursing the agency. Any exceptions for hotel rates must be approved by the Commissioner of Administration. Any cancellation fees must be approved by department head or his/her designee. Hotel cancellation fees may be approved when supported by a valid business justification and appropriate documentation demonstrating the cancellation was unavoidable. Use of HotelPlanner does not exempt a traveler from adhering to U.S. General Services Administration (GSA) lodging rates, U.S. Department of State rates, or rates stated within PPM49 for the applicable travel location.
9. Contracted Vehicles Rentals - The state has mandatory contracts for all in-state and out-of-state business travel through Enterprise, National, and Hertz. These contracts are applicable to all authorized travelers and contractors.
10. When a state agency enters into a contract with an out-of-state government entity, the out-of-state government entity may have the authority to conduct any related travel in accordance with their published travel regulations.

11. Authorization to Travel

- a. All travel, whether routine or non-routine, must have an approved Travel Authorization prior to travel date.
- b. All non-routine travel must be authorized with prior approvals, in writing, by the department head or his/her designee, from whose funds the traveler is paid. Agencies must maintain a file on all approved travel authorizations. Electronic files and approvals are acceptable using certified electronic signatures.
- c. Annual travel authorizations for routine travel are allowed if determined to be in your agency's best interest. If annual travel authorizations are used, prior approved travel authorizations are still required for non-routine meetings, conferences, and out-of-state travel. Annual travel authorizations cannot be used for non-routine meetings, conferences, and out-of-state travel.
- d. The Commissioner of Administration must sign all authorizations for travel and expenses for the Governor of Louisiana.
- e. International travel and travel to U.S. Territories require prior approval from the Commissioner of Administration.
 - a. The entity head of higher education institutions or his/her designee may approve international travel and travel to U.S. Territories prior to the departure date.

12. A department head or his/her designee may approve a traveler's reimbursement request for a communicable disease test if the employee will be traveling on official state business. Receipts are required to be reimbursed. Hotel, meals, and internet expenses are allowed to be reimbursed per the published rates when quarantine is required for a certain period.

B. Funds for Travel Expenses

1. State Issued Credit Cards and CBA Accounts - All high cost travel expenditures must be placed on the LaCarte Purchasing Card, Travel Card, or agency CBA account unless prior approval is granted from the Commissioner of Administration. The State Travel Office maintains the contract for the State's corporate card program to establish one source of payment for travel expenditures. If a supervisor recommends an employee be issued a state travel card, the employee should make the request through their agency travel program administrator.
 - a. The employee's corporate travel card is for official state business travel only. Personal use on the travel card shall result in disciplinary action.
 - b. If a vendor does not accept credit card payment for registration or lodging expenses, the department head may approve for payment(s) to be made by other means. Travelers must submit supporting documentation from the vendor stating they do not accept credit card payments. The supporting documentation must be kept with the travel reimbursement.
2. Persons traveling on official state business will provide themselves with sufficient funds for all travel expenses that are not covered by the Corporate Travel Card, LaCarte Purchasing Card, and/or agency's CBA account.
3. For agencies participating in the LaCarte, Travel, and/or CBA card programs, group/athletic travel must be placed on one of the card programs. This does not

eliminate any approvals that must be granted from the Commissioner of Administration and/or the Office of State Travel.

4. Advance of funds for travel shall only be made in extraordinary circumstances and any excess funds should be promptly repaid upon return. Cash advances meeting the exception requirement(s) listed below must have an original and itemized receipt to support all expenditures in which a cash advance was given, including meals. At the Agency's discretion, cash advances may be allowed for:
 - a. State traveler whose salary is less than \$40,000/year.
 - b. State travelers who accompany and/or are responsible for students or athletes for group travel. For group travel advancements, a roster with signatures of each group member along with the amount of funds received by each group member may be substituted for individual receipts.
 - c. State travelers who accompany and/or are responsible for client travel.
 - d. New employee who has not had time to apply for and receive the state's corporate travel card.
 - e. Employees traveling for extended periods, defined as a period exceeding 30 or more consecutive days.
 - f. Employees traveling to remote destinations in foreign countries.
 - g. Lodging costs if the hotel(s) will not allow direct bill or charges to agency's CBA and the traveler's salary is less than \$40,000/year.
 - h. Registration for seminars, conferences, and conventions.
5. Sponsored or Scholarship Travel – travel expenses paid by a sponsor or scholarship are considered a gift per R.S. 42:1115 and requires completion of Ethics Disclosure Form 413. It is the traveler's responsibility to properly complete and submit to the Louisiana Board of Ethics in the time required.
 - a. Reimbursements are not allowed when the traveler does not incur any expense. This includes, but is not limited to, reimbursements for any lodging or meals provided at a state institution or agency or provided by any other party at no cost to the traveler.
 - b. An approved Travel Authorization must be approved prior to travel date.
6. Travel expenses shall be limited to the necessary expenses incurred by a traveler and must be within the limitations set by PPM49.

C. Requests for Reimbursement

1. Official Domicile/Temporary Assignment - Travelers are eligible to receive reimbursement for travel only when they are away from their "official domicile" or on a temporary assignment unless exemption is granted in accordance with these regulations. Temporary assignments will end after a period of thirty consecutive calendar days. After thirty days, the place of assignment shall be deemed his/her official domicile. The traveler shall not be allowed travel and subsistence reimbursement unless permission to extend the thirty-day period has been previously approved by the Commissioner of Administration.
 - a. Travelers cannot be reimbursed while traveling within their official domicile.

- b. Travelers cannot be reimbursed when traveling to/from their residence when their residence location is different from their official domicile.
 - c. At the discretion of the department head or his/her designee, an exception may be allowed for mileage to/from airports as stated in §1504(E)(3).
 - d. The department head or his/her designee may approve an authorization for routine travel for an employee who must travel to perform his/her regular job duties. This may include traveling within the employee's official domicile if it is a regular and necessary part of the employee's duties. Attending infrequent/irregular meetings and conferences within their official domicile are not reimbursable.
- 2. All claims for travel reimbursement shall be submitted on the State's Travel Expense Form, BA-12, or in your agency's travel expense management system. Travel Expense Forms must be completed to include all travel details and be signed by the person claiming reimbursement and approved by his/her immediate supervisor. Agencies must get an exemption from the Office of State Travel to use a Travel Expense form other than the BA-12. The second page of the BA-12 must be completed with the breakdown of the travel expenses.
 - 3. High cost expenses such as air transportation, registration, lodging, rental vehicles, shuttle services must be placed on the state card program. The traveler must provide receipts for all items charged or billed directly to the agency.
 - 4. Membership fees that are a part of a conference registration fee are considered allowable expenses under both the CBA and Travel Card Program. The membership must be tied to the conference registration.
 - 5. Cost of meals, incidentals, baggage fees, taxi fares, and other travel-related expenses shall be paid by the traveler and claimed on the travel expense form for reimbursement.
 - 6. Travel Expense Forms must include all expenses related to the trip, which includes expenses paid by the agency and reimbursable expenses paid by the traveler. Expenses paid by the agency must be noted on the Travel Expense Form or marked "prepaid" on the LaGov expense statement and these expenses must be excluded from the traveler's reimbursable costs.
 - 7. Travelers should submit claims within 30 days of the travelers' return date. If a travel reimbursement is less than \$25, it is recommended that the traveler wait until a minimum of \$25 is reimbursable to submit the request unless there is no travel scheduled for the traveler in the future. Department heads may make the 30-day submittal mandatory on a department wide basis.
 - 8. Any person who submits a claim pursuant to these regulations and who willfully makes any claim which he/she does not believe to be true and correct or who

willfully aids, procures, counsels, or advises the preparation of a false or fraudulent claim, shall be guilty of official misconduct. If a traveler receives an allowance or reimbursement by means of a false or fraudulent claim, the traveler(s) involved shall be subject to disciplinary actions as well as being criminally and civilly liable within the provisions of state law.

9. Agencies shall review travel reimbursements to verify the documentation and complete processing within thirty (30) days of receiving the final reimbursement submission.

§1504. METHODS OF TRANSPORTATION

The most cost-effective method of transportation that will accomplish the purpose of the travel shall be selected. Official state travelers must use the most direct travel route. Among the factors to be considered are the length of travel time, vehicle operation cost, and cost/availability of common carrier services. Common carriers shall be used for out-of-state travel unless it is documented that utilization of another method of travel is more cost efficient or practical and approved in accordance with these regulations.

A. Air Travel

1. **Privately Owned or Charter Planes** – Prior approval is required by the department head when traveling by privately-owned or chartered aircraft. The traveler must certify: (1) at least two hours of working time will be saved by such travel; and (2) no other form of transportation such as commercial air travel or a state plane will serve the same purpose.
 - a. Chartering a privately owned aircraft must be in accordance with the Procurement Code.
 - b. Reimbursement for using a chartered or un-chartered privately owned aircraft under the above guidelines will be made per the published GSA rate or the cost of coach economy airfare, whichever is the lesser.
 - c. If there are extenuating circumstances requiring reimbursement not listed above, approval must be granted by the Commissioner of Administration.
 - d. When common carrier services are unavailable and time is at a premium, travel via state aircraft shall be requested and if a state aircraft is not available, the file shall be documented to show non-availability of a common carrier and state aircraft. The documentation shall be readily available in the department's travel reimbursement files.
2. **Commercial Airlines**
 - a. All state travelers are to purchase commercial airline tickets through the state contracted travel agency. This requirement is mandatory unless approval is granted from the Office of State Travel. In the event travelers seek approval to book without using the state's travel agency, the traveler shall submit their request through their agency's travel program administrator, who will determine if the request should be submitted to the Office of State Travel.
 - b. State contractors are not required to use the state's contracted travel agency when purchasing airfare, but it is the agency's responsibility to monitor costs to ensure the contractors are purchasing the lowest, most logical airfare.

- c. The State supports purchasing the lowest logical ticket. Once all rates are received, the traveler must compare costs and options to determine which fare will be the “best value ticket” for their trip. To make this determination, the traveler must consider whether or not there is a likelihood the itinerary will change or be cancelled. Depending on this assessment, the traveler must determine if the additional costs associated with changing a non-refundable ticket alters the determination of the lowest logical ticket.
- d. Travelers should advise the agent of their flexibility with dates and/or time of travel to ensure the most cost-effective rate.
- e. Travelers are to seek airfare allowing a sufficient amount of lead-time prior to departure date. The lead-time should be no less than ten (10) to fourteen (14) days in advance of travel dates to ensure the lowest fares are available.
- f. Commercial air travel will not be reimbursed in excess of the lowest logical airfare. Receipts are required for reimbursement for commercial air travel. Upgrades above economy at the expense of the State are not permitted without prior approval from the Commissioner of Administration or in accordance with (h) of this section. If an upgrade is not approved prior to the travel date and the traveler chooses to upgrade, the cost associated with the upgrade must be paid separately by the traveler. If space is not available in economy in enough time to carry out the purpose of the travel, the traveler must obtain a statement from the airline or contracted travel agency with this information. The certification is required for travel reimbursement.
- g. The state will pay for the airfare and/or penalty incurred for a change in plans or cancellation when the change or cancellation is required by the State or there are unavoidable circumstances approved by the agency’s department head. Justification for the change or cancellation by the traveler’s department head is required on the travel expense form.
- h. When an international flight segment is more than 10 hours in duration, the state will allow the business class rate provided it does not exceed the economy rate by more than 10%. The traveler’s itinerary, provided by the travel agency, must document the flight segment as more than 10 hours and must be attached to the travel expense form.
- i. Travelers may retain frequent flyer miles earned on official state travel unless an agency deems the points as property of the state. If a traveler makes travel arrangements that favor a preferred airline/supplier to receive these reward points and this circumvents purchasing the lowest logical airfare, they are in violation of this travel policy. Any costs in excess of the lowest logical airfare resulting from this violation are not reimbursable.

B. Unused Tickets

1. A lost or unused airline ticket is the responsibility of the person to whom the ticket was issued. Unused tickets should always be monitored by the traveler and the agency. Travelers should ensure that any unused ticket is considered when planning future travel arrangements. Some airlines have a policy that will allow for a name change to another traveler within the agency.
2. Upon initial notification, it is the traveler’s responsibility to determine if the ticket will be used in the future. Unused tickets are to be monitored every thirty (30) days.

If it is determined that the ticket will not be used prior to expiration and there is a possibility to transfer the ticket, the traveler must immediately advise the agency's travel administrator that the ticket is available for use by another traveler, section, or agency. The travel administrator should attempt to use the ticket for another traveler within the agency.

3. Department heads must review all unused airfare and the traveler's justification to determine if reimbursement from the traveler must be made to the agency for the cost of the unused ticket. All files must be properly documented.
4. Monitoring unused tickets can be accomplished with the unused ticket report sent to the agency's program administrator each month from the contracted travel agency. This report, in conjunction with traveler notifications while booking other flights and traveler email notifications every 120, 90, 60, 30 and 14 days prior to ticket expiration should be sufficient to reduce the loss of unused airfare.

C. Motor Vehicle

1. No vehicle may be operated in violation of state or local laws. No traveler may operate a vehicle without having a valid U.S. driver's license in his/her possession. All occupants must use safety restraints. Accidents, major or minor, shall be reported first to the local police department or appropriate law enforcement agency. An accident report form is available from the Division of Administration's Office of Risk Management (ORM), should be completed as soon as possible and must be returned to ORM with names, addresses, and phone numbers of principals and witnesses. Contact ORM with questions regarding this report.
2. Operating a state-owned, non-state owned, state-rented, or state leased vehicle for business while intoxicated, as set forth in R.S. 14:98 and 14:98.1, is strictly prohibited, unauthorized, and expressly violates the terms and conditions of use. In the event such operation results in the traveler being convicted of, pleading nolo contendere to, or pleading guilty to driving while intoxicated under R.S. 14:98 or 14:98.1, would constitute evidence of the traveler:
 - a. Violating the terms and conditions of use of the vehicle
 - b. Violating the direction of his/her employer, and
 - c. Acting beyond the course and scope of his/her employment with the State of Louisiana.
3. A person should not be authorized to operate or travel in a state-owned or state-rented vehicle unless the person is an employee of the State of Louisiana or deemed an authorized traveler. All authorized traveler approvals must be kept on file at the agency.
4. Students and non-state employees are not authorized to drive state-owned or state-rented vehicle unless deemed an "authorized traveler" on behalf of the State by the department head or his/her designee. Authorized travelers can be reimbursed for their travel expenses. Anyone who is not an employee of the State of Louisiana must sign the Hold Harmless For Use Of, or Transport In, State Vehicles form prior to riding in or driving a state-owned or state-rented vehicle.

This form is available on Office of Risk Management's website. Each agency is responsible for ensuring that this form and any other necessary requirements are completed and made part of the travel file prior to travel dates.

5. Persons operating a state-owned, state-rented, or personal vehicle on official state business are responsible for all traffic, driving, and parking violations. This does not include vehicle violations for registration or inspection sticker for state-owned or state rented-vehicles, as the State and/or rental company would be liable for any cost associated with these types of violations.
6. For official in-state business, travelers must use the options below in sequential order:
 - a. First: A traveler should utilize a state vehicle when available.
 - b. Second: A traveler should rent a vehicle from the State's in-state contracts with Enterprise, National, or Hertz for travel over 99 miles.
 - c. Third: A traveler must receive prior approval from their department head to use his/her personal vehicle and be reimbursed more than 99 miles. Reimbursements must be based on the GSA rate for mileage.
7. Motorcycles/bicycles/mopeds/motorized scooters (including e-scooters) shall not be used for official State travel. No passengers may be transported, at any time on official State Travel, on motorcycles/bicycles/mopeds/motorized scooters (including e-scooters).

D. State-Owned Vehicles

1. Travelers in state-owned automobiles who purchase fuel, repairs, and equipment needed while in travel status shall make use of the Statewide Fleet Fuel and Repair/Maintenance and bulk fuel contracts, when applicable. Purchases require receipts and only the lowest manufacturer recommended fuel should be reimbursed.
2. Department heads must give prior approval for State-owned vehicles to be used for out-of-state travel. If a state-owned vehicle is used to travel to a destination more than 500 miles from its usual location, documentation that this is the most cost-effective means of travel must be kept in the department's travel reimbursement files. When the use of a state-owned vehicle has been approved by the department head for out-of-state travel for the traveler's convenience, the traveler is personally responsible for any other expense en route to and from their destination, which includes meals and lodging.
3. If a state vehicle is needed or requested to be kept at the home of a state traveler overnight, the agency and traveler should ensure it is in accordance with requirements outlined in R.S. 39:361-364.

E. Personally Owned Vehicles

1. Personal vehicle mileage is reimbursed at the published GSA rate for mileage. Personal vehicle mileage reimbursements should be based on actual physical addresses and require an odometer reading or website mileage calculator.

2. When two or more persons travel in the same personally owned vehicle, only one reimbursement is allowed for the expense of the vehicle. The person claiming reimbursement shall report the names of the other passengers on the travel expense form.
3. At the discretion of the department head or his/her designee, mileage to and from airport(s) may be allowed while on official state business. This approval may include reimbursement for a traveler who is being dropped off and/or picked up from the airport.
4. Mileage reimbursements must not exceed the cost of the lowest logical airfare for the same trip. Travelers are personally responsible for any other expenses en route to and from the destination, which includes meals and lodging.
5. If a traveler is requested to take his/her personally owned vehicle out-of- state for a purpose that will benefit the agency, then the department head may, on a case-by-case basis, determine to pay a traveler for all or part of en route travel expenses (for example – lodging, meals, and mileage). Documentation must be kept on file to show cost savings or justification as to why personal vehicle mileage, lodging, and meals while in transit were approved for out-of-state travel exceeding 99 miles.
6. A traveler shall never receive any benefits or reimbursements because his/her residence is different from his/her official domicile. A traveler may be reimbursed mileage when starting travel from his/her residence if the mileage is less than starting travel in the traveler's official domicile. If a traveler is leaving on a non-work day or leaving before or after work hours, the department head may determine to pay the actual mileage from the traveler's residence.
7. When a traveler is required to regularly use his/her personally owned vehicle for agency activities, the agency head may request prior authorization from the Commissioner of Administration for a vehicle allowance. Requests for vehicle allowances must contain a detailed account of routine travel listing exact mileage for each route and justification as to why a rental vehicle is not feasible. Justifications should include a three-month travel history with a complete mileage log for all travel incurred, showing all points traveled to/from and the exact mileage. Requests for vehicle allowances are granted for one fiscal year and must be requested again each fiscal year if there is still a need. A centralized file must be kept containing all approvals.
 - a. If an employee is granted a vehicle allowance then mileage, fuel, and rental vehicle reimbursements or charges are not allowed for that employee. Rental vehicles are allowed for these employees when traveling out-of-state.
8. Travelers are required to pay all operating expenses for his/her personal vehicle including fuel, repairs, and insurance. Employees using a personal vehicle on official state business should ensure they are in compliance with the mandatory financial responsibility laws for auto liability insurance in the State of Louisiana or the State in which the vehicle is registered. The vehicle's policy will be primary

for any accidents/incidents that occur while driving the personal vehicle on state business. Coverage provided through the Office of Risk Management would apply on an excess basis for accidents/incidents that occur while on official state business.

F. State-Rented Vehicles

1. The state has mandatory contracts for in-state and out-of-state vehicle rentals for business travel with Enterprise, National, and Hertz. These contracts also apply to all authorized travelers and contractors. The state does not have international vehicle rental contracts.
2. Employees receiving a vehicle allowance are only allowed to rent a vehicle when traveling out-of-state.

3. In-State and Out-of-State Vehicle Rentals

- a. A rental vehicle should be used if a state owned vehicle is not available for all travel over 99 miles. In the event that an agency or traveler chooses to use a personal vehicle, refer to §1504(E) of this policy on Personally Owned Vehicles.
 - b. All state contractors who have entered into a contract with the State of Louisiana on or after March 1, 2013, and whose contracts are required to follow PPM49 for travel reimbursements, must use the state's mandatory contracts while conducting business on behalf of the State.
 - c. In-state rental vehicle reservations shall not be made at an airport location for daily routine travel unless prior approval is granted by the department head. Airport rental locations charge extra fees that will add unnecessary costs to your rental charges.
 - d. Charges added to the vehicle rental price must be in accordance with the mandatory rental vehicle contracts.
4. **Payments** - Rentals through the vehicle rental contracts shall be made using the "LaCarte" purchasing card, an agency's CBA account, an employee's state corporate travel card, or through direct bill to the agency. Agencies may decide which of these forms of payment to be used.

 6. **Vehicle Rental Size**
 - a. Only the cost of an economy, compact, intermediate, or standard vehicle is reimbursable, unless:
 1. Non-availability is documented; or
 2. The vehicle will be used to transport more than two persons.

- b. A department head or his/her designee may authorize a larger vehicle on a case-by-case basis and provide detailed justification in the file. Justification could include, but is not limited to, specific medical requirements when supported by a doctor's recommendation or traveling with equipment.

- 8. Box trucks are available under Enterprise/National and Hertz contracts as an added-value service, with insurance included. Use of this service is optional and not mandatory.

9. Fuel

- a. Fuel should be placed on an agency's fuel card for rental vehicles. If your agency does not have a fuel card, reimbursements require an original receipt. Agencies and travelers should review the terms, conditions, and locations of vendors for each contract.

10. Insurance for Vehicle Rentals within the United States

- a. State rental contracts include Collision and Damage Waiver (CDW) insurance and \$1 Million Liability Protection Coverage. Additional insurance billed by car rental companies is not reimbursable and must not be billed to an agency.
- b. Should a collision occur while on official state business, the accident should immediately be reported to the Office of Risk Management and the rental company. Any damage involving a third party must be reported to the appropriate law enforcement agency to obtain a police report.
- c. Lost keys and unlocking services for rental vehicles are not covered under the damage waiver policy and can be costly. Agencies should establish an internal procedure regarding the liability of these costs.

11. Insurance for Vehicle Rentals Outside of the United States

- a. The Office of Risk Management (ORM) recommends the appropriate insurance (liability and physical damage) provided through the car rental companies be purchased when the traveler is renting a vehicle outside of the United States. 5. Airport shuttles, taxis, and all other public transportation require a receipt for

reimbursement. A driver's tip may be given and the tip must not exceed 20% of the total charge. The tip amount must be included on the receipt received from the driver/company.

6. All other forms of public ground transportation other than those listed above are limited to \$10 per day when a receipt is not possible. Claims in excess of \$10 per day require a receipt. At an agency's discretion, the department head may implement an agency policy requiring receipts for all public transportation requests less than \$10 per day.
7. To assist agencies with verification of taxi fares, you may contact the taxi company for an estimate or visit an online taxi fare estimator. A traveler should obtain prior approval if multiple taxis will be used during a trip (not just to and from an airport). It may be in the agency's best interest to rent a vehicle rather than reimbursing multiple taxi expenses.

H. Parking and Related Parking Expenses

1. Baton Rouge Airport - the State has contracted rates for parking in the indoor parking garage and the outside fenced parking lot at the Baton Rouge Airport. The airport parking certificate and State Employee ID must be presented to receive the contract price. If the agency does not issue a State ID, the traveler will need a business card and a driver's license along with the certificate to be eligible for the state contracted rate. Receipts are required for reimbursement of the contracted rates listed in the resource section. The airport certificate can be found on the Office of State Travel's website.

If there are multiple designated conference hotels, the lower cost conference hotel should be booked, if available. In the event the designated conference hotel(s) have no room availability, a department head or his/her designee may approve to pay the actual hotel cost not to exceed the conference lodging rates for other hotels in the immediate vicinity of the conference hotel. Rates exceeding the Conference Lodging Rate must be approved by the Commissioner of Administration. This allowance does not include Agency Hosted Conference Lodging Rates. Documentation required is a formal agenda, program, letter of invitation, or registration fee. Participation as an exhibiting vendor in an exhibit /trade show also qualifies as a conference. For a hotel to qualify for conference rate lodging, it requires that the hotel is hosting or is in conjunction with hosting the meeting.

2. The only exemptions which do not require the Commissioner of Administration's approval when traveling 30 days or more are students, professors, or other state travelers which are traveling on a grant, scholarship, studying aboard or any other occasion where funds utilized are not state funds. Department head approval is required for these travelers.

D. Lodging Fees

Non-conference related fees - Many hotels charge mandatory fees variously termed "resort fees," "amenity fees," "urban destination fees," "facilities fees" and "daily destination fees," among others. Agencies should review these fees and see what they include before authorizing reimbursement, as they can vary from simply covering internet access to including items that may be considered gifts, like tours or tickets. If the fees do not include an item that can be considered a gift, these fees are reimbursable.

F. Lodging with relative or friends

1. May not be reimbursed unless the host can substantiate costs for accommodating the traveler. The reimbursement will be at the actual cost of lodging but must not exceed the lodging rate for the applicable area.
