

List of Louisiana Pricing Schedule (LaPS) Contracts

You can do a "string search by pressing Ctrl-f to do a Find. Enter any portion of the record for which you are searching and it will go to the record below containing a matching string.

To view contracts coupled with any of the T-numbers, to directly search on the Contract Number listed, click on the applicable field and you will be taken to LA eCat search. Either type in the T-Number or Contract Number in the appropriate field, click "Find it" and the contract(s) will populate on your screen. If a specialized website is tied to your contract selection, in lieu of linking to LA eCat, you will be directly linked to the associated web address.

For more information in using these contracts, please refer to [OSP Agency Memorandum 08-02.pdf](#).
