

**EXECUTIVE DEPARTMENT
OFFICE OF THE GOVERNOR
EXECUTIVE ORDER NUMBER 25-038**

ADMINISTRATIVE RULES AND REGULATIONS

WHEREAS, the Legislature has created numerous boards and commissions responsible for safeguarding life, health, and property, as well as protecting the public welfare through the oversight of various professions;

WHEREAS, the Legislature has recognized in R.S. 49:901 that agencies, boards, and commissions that exercise the police power of the state in their regulatory, licensing and fee-collecting activities should be regularly reviewed;

WHEREAS, the Legislature has charged many State Departments and agencies with regulatory duties and responsibilities;

WHEREAS, to ensure government transparency all statements, guides, or requirements for action, which have general applicability and the effect of implementing or interpreting substantive law or policy, or which prescribe the procedure or practice requirements of an agency, must be promulgated through the Louisiana Administrative Procedure Act;

WHEREAS, R.S. 49:964 grants interested persons the right to petition agencies for the adoption, amendment, or repeal of a rule, ensuring that agency rules and regulations remain relevant and responsive to public concerns;

WHEREAS, the Office of the State Register is mandated to host an online portal that allows interested persons to submit comments regarding agency rules they believe are contrary to law, outdated, unnecessary, overly complex, or burdensome, and agencies must respond within ninety days by either addressing the comment in rulemaking proceedings or providing a written explanation;

WHEREAS, agencies engaged in rulemaking must conduct a public hearing at least once every six years to receive input from interested persons on the necessity and appropriateness of existing rules and regulations;

WHEREAS, agencies are required to fully consider and respond to all public comments, ensuring a transparent and participatory rulemaking process;

WHEREAS, agencies must conduct a systematic review of their rules so that all rules are evaluated within a five-year period, ensuring they remain necessary, lawful, and balanced in their benefits and burdens on regulated persons;

WHEREAS, transparency dictates that rules be written in a manner that the public can easily understand;

WHEREAS, in 2010 Congress passed the Plain Writing Act of 2010 (Public Law 111-274) requiring federal agencies to use “clear government communication that the public can understand and use” in all documents they issue to the public;

WHEREAS, R.S. 49:953(H) provides that the governor shall be the publisher of the Louisiana Administrative Code and the Louisiana Register;

WHEREAS, the Louisiana Administrative Code has become bloated with rules and regulations that are unnecessary and obsolete;

WHEREAS, the rules in Exhibit A, have remained unchanged for twenty years or more;

WHEREAS, this administration is committed to removing unnecessary regulatory barriers;

NOW THEREFORE, I, JEFF LANDRY, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, do hereby order and direct as follows:

Section 1: State agencies shall promulgate only such rules and regulations as are required by law. In deciding whether and how to regulate, agencies should assess all costs and benefits of available regulatory alternatives, including the alternative of not regulating.

Section 2: Administrative rules must be written using the principles of plain language. The Louisiana State Register shall develop training based on federal plain language guidelines and make it available on its website.

Section 3: By December 31, 2025, each state board, commission, department, agency, or other rule-making entity must review at least 50% of the rules listed in Exhibit A or a minimum of 100 rules, whichever is greater. The remaining rules must be reviewed by December 31, 2026.

The agency shall evaluate each rule as set forth in R.S. 49:964(D) to determine whether it is necessary, consistent with the law, and aligned with the agency's mission. Additionally, the agency shall assess whether the benefits of the rule outweigh the burdens and costs on those regulated by it.

Section 4: The agency shall report a list of the reviewed rules to the Office of the Governor and to the relevant legislative oversight committees, including proposed actions for each rule reviewed.

Section 5: In addition to the legislative oversight committees, all agencies shall submit the annual reports required by R.S. 49:964 (D) and R.S. 49:966 (K) to the Office of the Governor.

Section 6: All departments, commissions, boards, offices, entities, agencies, and officers of the State of Louisiana, or any political subdivision thereof, are authorized and directed to cooperate with implementing the provisions of this Order.

Section 7: This Order is effective upon signature and shall remain in effect unless amended, modified, terminated, or rescinded by the Governor, or terminated by operation of law.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 1st day of April 2025.
